North American  
Worldwide Advanced Manufacturing Symposium  
for Space, Air, Land and Sea Transportation

**EXHIBITOR & SPONSOR  
PROSPECTUS**

[WAMSymposium.com](http://WAMSymposium.com)

Expand your reach at the only event that brings together the space, aeronautics, land and sea transportation engineering manufacturing communities.

The North American Worldwide Advance Manufacturing Symposium (NA-WAMS) is an opportunity to advance the discussion around the needs for advanced materials and manufacturing technologies across aerospace, defense, transportation, and energy applications.

It is designed to be a smaller format workshop, with only two simultaneous tracks, in order to foster significant interaction between government, industry, and academia on tightly focused topics. Further, a series of training sessions on select topics will be offered prior to the start of the conference.

NA-WAMS is a direct follow-on to the 2024 WAMS Conference schedule and is intended to provide an opportunity and forum for the domestic community to openly discuss challenges and needs.

Join us as an exhibitor or sponsor today to showcase your latest innovations and position your organization as an expert resource the Space, Aerospace, Land, and Sea transportation engineering communities can rely on. With more than 580 attendees representing all aspects of the industry—from government, academia, and private institutions—NA-WAMSymposium connects you with more of the professionals and networks you aim to reach.

# WHO ATTENDS?

## 2024 Attendees where...

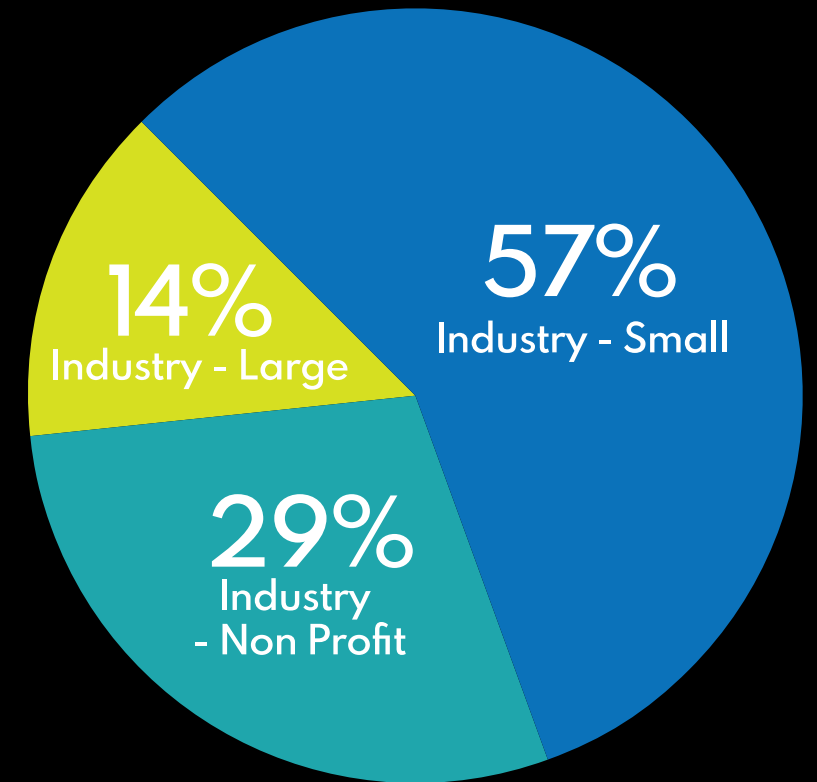

## Their Profession is...

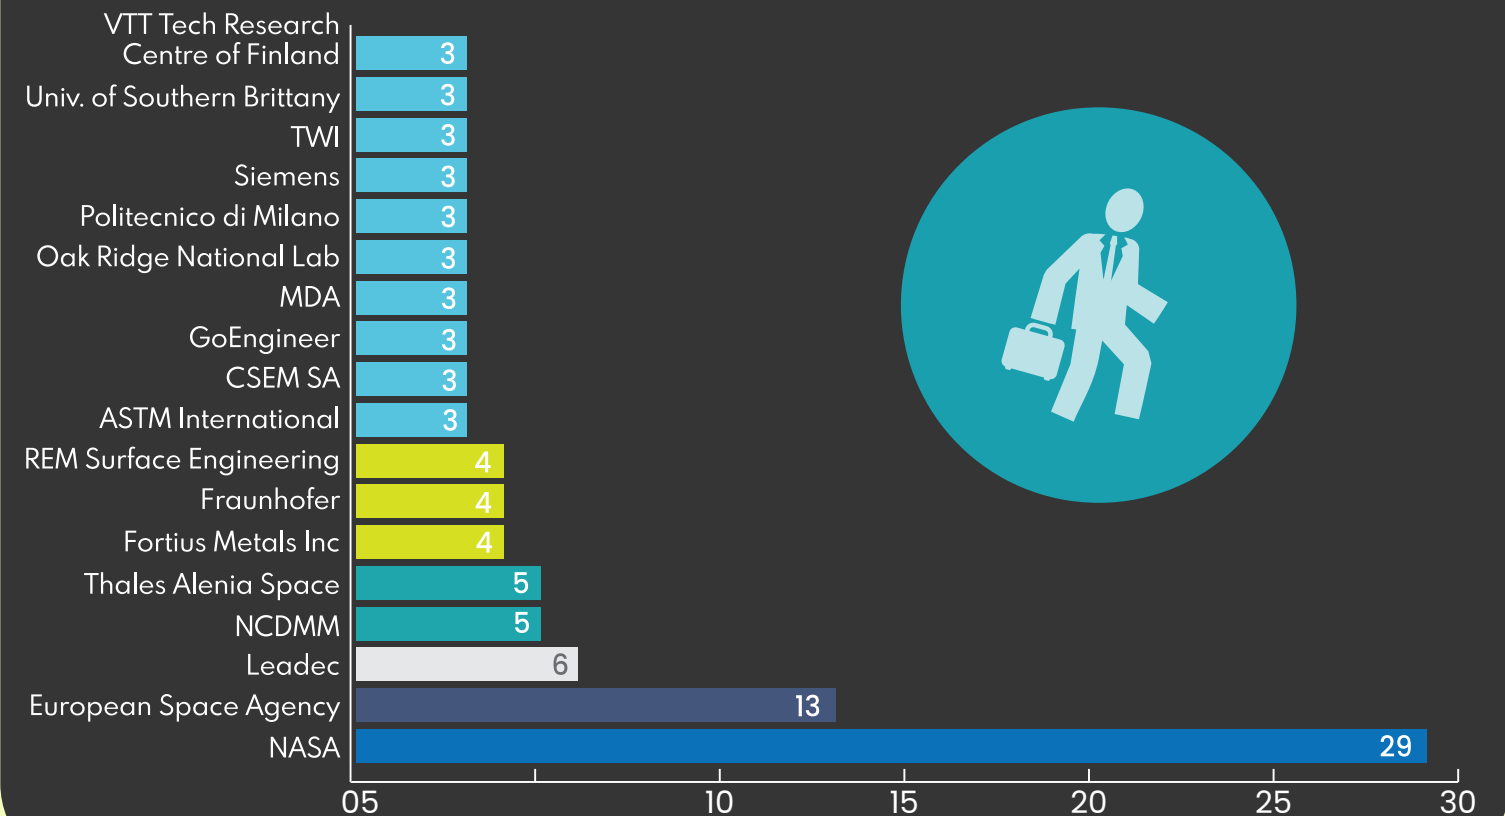

## 2024 Exhibitors where...

- ASTM International
- Fortius Metals
- Global Advanced Metals
- GoEngineer
- Leadec
- NCDMM America Makes
- REM Surface Engineering

## Companies with the highest attendance in 2024...

# Exhibiting at the WAMSymposium

# Sponsorship at the WAMSymposium

## BENEFITS INCLUDE:

Ability to purchase sponsorship & advertising opportunities.

Access to more than 250 attendees in the engineering manufacturing in the air, space, land, and Sea industries.

Access to the ProLead App to allow you to scan badges and keep track of all your connections

Logo listed on the event website and exhibit hall floor plan

Access the Arctos Events App to view schedules, maps, attendee list and exhibitors

### 2024 Exhibitors

- ASTM International
- Fortius Metals
- Global Advanced Metals
- GoEngineer
- Leadec
- NCDMMAmerica Makes
- REM Surface Engineering

## BOOTH PRICING

### Standard 8'X10' Booth

#### Early Rate

(until Dec 13, 2024)

\$2,650

#### Regular Rate

(after Dec 13, 2024)

\$2,850

## YOUR BOOTH INCLUDES

- Access to the Conference App with Exhibitors, Agenda & more
- Two (2) Exhibitor Staff badges per 8'x10' booth
- Company/Organization listing on the Exhibitor Layout
